Seeing More Clearly

A campaign for an MRI and more...

Ms Nicole Neff
100 Hwy 17 E
PO Box 622
North Bay ON P1B 8J5

Dear Ms Neff

RE: Pledge update

Thank you for taking an active part in the community's healthcare needs with your pledge to *Seeing More Clearly – a campaign for an MRI and more*. Obtaining an MRI and other state-of-the-art diagnostic imaging equipment is essential for our district. Our new hospital can support this kind of progressive medical technology. Your pledge is especially appreciated by those it impacts – our patients.

Diagnostic Imaging at NBGH consists of CT Scan, Ultrasound, Nuclear Medicine, X-ray and Mammography. With this equipment available at NBDH, the dedicated and talented staff is able to provide patients some of the shortest wait times in the province. We are currently in the process of obtaining more state-of-the-art equipment that is standard for a district health centre of our size.

With your support patients and families will be spared the extra stress and expense of travel. Our community will enjoy shorter wait times and faster diagnoses with more accurate treatments and better medical outcomes.

Thank you again for your generous pledge.

Yours sincerely,

Tammy Morison
Campaign Director
